4250kg chassis upgrade

4 berth rear bathroom layout

The Ixeo TL range retains the defining shape, function and characteristic silhouette while maximising space and economising on footprint. The TL680G is a spacious 4 berth with luxurious living and sleeping areas, the drop-down bed now being lengthwise not widthwise. It also has a full width rear bathroom, creative interior and exterior storage solutions and large transverse rear garage, accessible via two doors. This model includes the all-new FIAT 9-speed automatic gearbox.
