Burstner Lyseo TD594 HL Harmony Line

Ducato based model

2.2ltr 140bhp

£87,230

4-berth, rear bathroom model

The first and most compact of the Lyseo TD 'Harmony Line' range, the TD594 produces maximum space from minimum volume. It combines a front lounge with two side-facing settees (converting to two belted travelling seats) above which is an electric drop-down bed. The layout is completed by a large, transverse bathroom with separate toilet, vanity and shower areas and a mid-mounted kitchen. Finished in 'Harmony Line' livery, this fantastic little motorhome is an excellent 6 metre choice.
