Rear lounge van conversion

Under 4,000 miles

A incredibly low mileage, one-owner, 2-berth van conversion has a front half-dinette with a twin, belted, forward-facing seat. Both cab seats fully rotate to complete the lounge. There is a mid-mounted kitchen with hob, oven/grill, fridge and sink. Opposite the kitchen is a wet-room bathroom and the layout is completed by a rear lounge comprising two 5ft settees that easily convert to two short singles or a large double berth.
