'72 plate 2022 Citroen Relay based

2.2ltr 140bhp manual

Rear bed van conversion

**3862 miles**

Based on the Citroen Relay, this **very low mileage**, one-owner van conversion comprises a front dinette with two belted travelling seats. Both cab seats rotate to complete a spacious and comfortable front lounge. The dinette also converts into a single day-bed. There is a mid-mounted kitchen with a wetroom bathroom opposite and the layout is completed by a fold-away transverse bed with storage area underneath.
